ABOUT ME

Transitioning my focus to front-end development has been an enriching journey. Throughout this process, I've delved extensively into CSS, jQuery, JavaScript, Node.js, testing methodologies, and React.

With a genuine passion for technology and a commitment to mastering front-end development, I'm eager to bring my versatile skill set and strong work ethic to any project or team.

WORK EXPERIENCE

FRONT-END DEVELOPER

SONATCO

2022 -Present

Transitioned from Account Manager to Front End Developer, adeptly converting custom themes into HTML, CSS, and JavaScript.

Enhanced existing websites with seamless modifications and added new pages to bolster online presence.

Combining client-facing skills with technical proficiency, I deliver optimized digital solutions.

ORIN

2022 -2023

As a Junior Front End Developer, I played a key role in the development of a sophisticated food ordering website. Utilizing a custom JavaScript framework tailored for customer-facing features, I ensured seamless user interaction and intuitive navigation.

Additionally, I contributed to the creation and maintenance of a tablet application using the Node.js-Cordova-Framework7 stack, expanding accessibility and functionality.

The project is mothballed for the time-being but, we are expecting to get back work on it within this year.
